

HYPOTHETICAL USER JOURNEY

A user journey focusses on a service from the user's perspective, recording both positive and negative experiences. Use your storyworld persona to map the experience of seeking support.

Whose experience is this? _____

WHAT the person does...

--	--	--	--	--

WHERE the interactions happen...

--	--	--	--	--

WHAT devices do they use...

--	--	--	--	--

HOW does it feel...
